Cementless knees: Doing more with less with Bassam Masri, MD and Pascal-André Vendittoli, MD

Please join us at the 2021 GE North virtual series. This month’s live national broadcast will explore the evolution and clinical evidence of cementless knee technology.

Thursday, May 13, 2021
7-8pm EST
A recording of the broadcast will be available for 24 hours.

Who should attend
- Practicing surgeons
- Fellows and residents
- Allied health professionals

How to register
Visit GreatExpectationsNorth.com to register for this and other webinars.
The interactive webinar will be broadcast via Zoom.
