

> *The MTF Advantage - A Case Series highlighting Allograft usage in Complex Knee Procedures*

ORTHOPAEDIC SPORTS MEDICINE

CONMED Canada in partnership with MTF Biologics would like to invite you to join us at the COA Annual Meeting for an engaging webinar with Dr. David Wasserstein and Dr. Danny Whelan. This interactive online presentation will begin with an overview of the MTF Advantage followed by case presentations on osteochondral allograft transplantation using the Missouri Osteochondral Allograft Preservation System (MOPS) and two stage revision ACLR utilizing allografts.

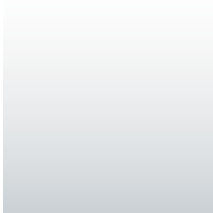

Thursday June 17, 2021

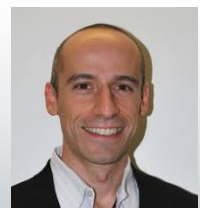

3:00 PM EST - 4:00 PM EST

Senior Product Manager
MTF Biologics

Dr. David Wasserstein
Sunnybrook Health Sciences
Toronto, ON

Dr. Danny Whelan
St. Michael's Hospital
Toronto, ON

The material provided in these webinars may include information regarding how to use CONMED medical devices and instruments in surgical procedures. It is not medical advice and surgeons should use their own professional judgment to treat a particular patient. Surgeons should be trained in the use of such devices before surgery and should always refer to the product labeling including the Instructions for Use before using any medical device.
*Paid CONMED consultant. **Schedule subject to change.
