

Calgary

Mayor Jyoti Gondek

A MESSAGE FROM MAYOR GONDEK

I am pleased to extend a warm welcome on behalf of City Council to all attendees of the Canadian Orthopaedic Association (COA) annual meetings. My understanding is that there will be three meetings in one with concurrent annual meetings for the Canadian Orthopaedic Research Society (CORS) and the Canadian Orthopaedic Residents' Association (CORA). Sounds like an incredible opportunity to share, learn and network with peers and experts in your field!

While I understand many of you are from Calgary, we welcome those travelling to our magnificent city from other parts of Canada.

We hope you have some time to enjoy all that Calgary has to offer. Our city is easy to navigate and explore by transit, vehicle, cycle, or on foot. We are home to many natural parks and North America's most extensive urban pathway network – a title we are proud to hold! I hope that you take the opportunity to explore everything our city has to offer, from the incredible outdoor spaces to the wonderful dining and shopping experiences.

I wish you all a productive conference of good conversations and idea exchange.

Sincerely,

Jyoti Gondek
Mayor of Calgary
