

On behalf of the **Canadian Orthopaedic Association (COA)** Board of Directors, I am pleased to extend a personal invitation for you to rejoin our organization. As a former member, you played a valuable role in the COA community, and we would be delighted to have you back as an esteemed member.

We have been making significant strides since you were previously involved. Our organization has undergone several exciting changes and introduced new initiatives to better serve our members. We have also created more opportunities for **networking, professional development, and advocacy**. With these updates in place, we are confident that your experience with the COA will be more rewarding than ever before.

We understand that your membership lapsed for personal or professional reasons, but we want you to know that we have missed your contributions and insights. We believe that your return to the COA will provide the opportunity for you to make an even greater impact.

To make your transition back as smooth as possible, we are waiving any readmission fees if you **rejoin before June 21**. This will also give you immediate access to considerably reduced registration fees for the **upcoming Annual Meeting**, which will be held in Calgary from June 21-24. It is an excellent opportunity to rejoin our organization and take advantage of our resources.

To rejoin the COA, please complete the **application form** and submit it to the COA's **Member Relations**.

We hope you will consider this invitation to **rejoin the COA** and become an integral part of our community once again. If you have any questions or concerns, please do not hesitate to **reach out to us**.

Thank you,

Dr. Laurie Hiemstra
