

Mako Case Reviews

A review of select total joint arthroplasty cases highlighting the advantages of robotic-arm assisted surgery over manual procedures

COA Annual Meeting Lunch n' Learn Session

You're invited!

Join us for an insightful session where our faculty will discuss Mako case reviews of total joint arthroplasty, highlighting how the outcomes differ from those achieved through manual procedures.

Date: Friday, June 14, 2024
Time: 12:45 pm - 1:45 pm
Location: Room 603/604
 Halifax Convention Centre

To register, **CLICK HERE** or scan the QR code below.
 Registration is required before June 7.
