

Robotically Assisted Unicompartmental Arthroplasty:

The right operation for the right patient using the right technology

COA Annual Meeting Lunch n' Learn Session

You're invited!

Join us for an exciting session exploring robotic assistance in unicompartmental arthroplasty—where patient selection, surgical precision, and advanced technology align to optimize outcomes.

Date: Friday, June 13, 2025
Time: 1:00 pm - 2:00 pm
Location: Vancouver Convention Centre

To register, **CLICK HERE**
or scan the QR code.

Registration is required
before June 6.
