Arthroplasty Registries

15TH Annual International Congress of Arthroplasty Registries, Lund, Sweden, May 30-June 1, 2026

Abstract Submission

ISAR invites the submission of a **300-word abstract** (excluding title, authors, affiliations and e-mail address) for a Podium or a Poster Presentation. It is expected that abstracts be of high academic standard and be written in English. It should be submitted as a **Word document (no pdf-file)** in Arial 12 font. Abstracts more than 300 words will be returned. Pictures, tables and graphs should not be used – text only!

The following template is required:

- **Title** – Entire title without abbreviations
- **Authors and Affiliations** – A list of all authors full names and their affiliations
- **E-mail address** for presenter/first author
- **Introduction** – A short statement of the rationale and purposes of the study
- **Materials and Methods** – A summary of materials and methods used
- **Results** – A summary of the results
- **Discussion** – Relevance and take home message

Podium Format

Most presentations will be set at 5 minutes in length, with an additional 2 minutes for open discussion. Exact timing of all podium presentations will be communicated to you as soon as the final congress program is confirmed. Three to five worthy papers will be selected for a peer review discussion session; authors who have their abstract selected for this will be asked to provide a manuscript or full description of their study.

Poster Format

Posters will be presented as one slide in PowerPoint in format widescreen (16:9) with a 90 second-podium presentation). Posters will also be shown at a monitor during breaks. All posters presented at the meeting will be published in abstract form in the final congress program book.

Please specify in your e-mail if you would like to present as Podium Presentation **or** Poster Presentation. If you are not the podium or poster presenter, please indicate the name and email of the presenter!

Note that submitted abstracts will be published and distributed in the program.

There will be an award for the best podium and best poster.

Send your abstracts as a **Word attachment** by e-mail to info@isarhome.org or isarhome.org@gmail.com

Abstract submission open: October 1st, 2025
Deadline for abstracts: **December 9th, 2025 at 7pm UTC**

Notification of final decision of accepted papers will be made **by January 15th, 2026 to corresponding person/author.**

Acta Orthopaedica will be the official journal for abstracts presented at ISAR 2026 in Lund. Authors are welcome to submit full manuscripts to *Acta Orthopaedica* after abstract submission to ISAR, either before or after the presentation at the meeting. Manuscripts should be submitted online at <https://www.manuscriptmanager.net/ao>. Please check the box if your scientific work is going to be or has been presented during an ISAR 2026.
