Registration is now open for the

ROSA[®] Knee with Optimize[™]: Robotic Knee Arthroplasty Lunch and Learn

St. John's, NL

ZIMMER BIOMET
Institute[®]

Course Overview

Join us for a Lunch & Learn session featuring ROSA® OptimiZe - an innovative advancement in robotic-assisted knee surgery. This interactive session will highlight how ROSA OptimiZe enhances surgical precision through real-time data, personalized planning, and streamlined workflow integration.

Attendees will have the opportunity to experience a live demonstration of the system, explore its practical applications, and engage in discussion around optimizing outcomes and efficiency in the OR. Whether you are already familiar with robotic platforms or looking to expand your knowledge, this session is designed to be both informative and engaging.

Lunch will be provided.

OptimiZe to Personalize™

*Paid Zimmer Biomet Consultants

This session is not accredited. Attendees of the session are not eligible to claim CME or MOC credits for participation.
