

International Society of Arthroplasty Registries

Acta Orthopaedica

16TH Annual International Congress of Arthroplasty Registries, Stratford upon Avon, UK, May 22-24, 2027

On behalf of the International Society of Arthroplasty Registries and the Local Organising Committee, it is our pleasure to invite you to the 16th ISAR Congress. The meeting will be held at the Crowne Plaza, Stratford-upon-Avon, in the UK from Saturday 22 to Monday 24 May 2027, with pre-congress workshops on the afternoon of Friday 21 May.

Stratford-upon-Avon is Shakespeare's birthplace and sits in the heart of England, an easy journey from Birmingham and London. We hope you will join us for a strong scientific programme and an enjoyable social one.

For the ISAR 2027 we will have a registration website for both Registration/Payment as well as Abstract submissions - ISAR 2027 meeting website

Key dates

- Abstract submission opens: Monday 28 September 2026
- Abstract submission closes: Tuesday 1 December 2026, 19:00 GMT
- Decisions to authors: by Friday 15 January 2027
- Registration and accommodation booking open: Monday 18 January 2027

Abstract Submission
Abstracts should be submitted through the on-line submission form on the ISAR 2027 meeting website

The submission should be of maximum **300 words** (excluding title, authors (degrees not needed), affiliations and e-mail address of presenter). Indicate if you prefer Podium or Poster Presentation. It is expected that abstracts be of high academic standard and be written in English. Pictures, tables and graphs should not be used – text only. Note that submitted abstracts will be published and distributed in the program.

The following template is required:
- **Title** – Entire title without abbreviations
- **Authors and Affiliations** – A list of all authors full names and their affiliations (degrees not needed)
- **E-mail address** for presenter/first author
- **Introduction** – A short statement of the rationale and purposes of the study
- **Materials and Methods** – A summary of materials and methods used
- **Results** – A summary of the results
- **Discussion** – Relevance and take home message

International Society of Arthroplasty Registries

Acta Orthopaedica

Podium Format
Most presentations will be set at 5 minutes in length, with an additional 2 minutes for open discussion. Exact timing of all podium presentations will be communicated to you as soon as the final congress program is confirmed.

Poster Format
Posters format will be presented later. All posters presented at the meeting will be published in abstract form in the final congress program book.

Acta Orthopaedica will be the official journal for abstracts presented at ISAR 2027 in Stratford-upon-Avon. Authors are welcome to submit full manuscripts to *Acta Orthopaedica* after abstract submission to ISAR, either before or after the presentation at the meeting. Manuscripts should be submitted online at https://www.manuscriptmanager.net/ao. Please check the box if your scientific work is going to be or has been presented.

Further Information
For further information regarding abstract submission please contact samuel@clockwork-uk.com or for programme please contact mike.reed799@gmail.com.
